

RETURN TO PLAY GUIDELINES

GET IN, PLAY, GET OUT

1st games kick off at 5.45pm on Monday 27th July, so please arrive 10 minutes ONLY before your game and leave the fields straight after. I know we have not seen each other in a while but no lingering/hugs/kisses/catch ups.

If you arrive earlier, please wait in your car unless you need to purchase shorts or tights.

(NO loan shorts OR borrowed shirts available this season). PLAYERS TO REMEMBER THEIR OWN GEAR OR CANNOT PLAY.

SPECTATORS

No spectators, unless for example 2 parents play in the one team & have nobody to leave the children at home with. Please ensure they are seated and practicing the social distancing requirements as per the current government restrictions & guidelines.

SANITISE

Please sanitise your hands before, during and after games (we ask that you provide your own), but there will be sanitiser if required at the Admin and Covid Safety desk where 1 delegate or team representative collects the sign on board.

Under new requirements by AO we have an AMENDMENT TO OUR PLAN as follows:

Referee **will** spray the hands of all players participating in the game before they take the field, & at half time. Any player refusing to sanitise will not be allowed to play. (If a player refuses on the grounds of alcohol in the sanitiser, they must use their own sanitiser or wipes)

PLAYER SIGN ON

Delegate, or ONE team representative is to collect the sign-on clipboard from the Admin area at the Covid Safety desk under the Breakers amenities building at Woods Street fields.

ALL Players **MUST** go directly to their field from the carpark to avoid any congregation of people. Once at the field the team representative who collected the sign on board must simply tick off each player before the game. Only registered players on the team lists are eligible to take the field, so if you have not paid your fees you have to do so in order to play. One person to collect outstanding fees (if any) by paying at the admin in a lump sum prior to game.

If you arrive late, ensure you get ticked off by your delegate.

Referee will mark player numbers in attendance on their score card at the completion of the game.

Delegates to bring Ref sign-on board at completion of game to check it matches, & with a total circled they initial off on the number of players in attendance.

DELEGATE TO THEN RETURN SIGN ON BOARD TO SAME DESK ON WAY OUT PLEASE.
