

Registering a Team

To register a team, go to the link your Association has provided and log into the Assemble Portal. Please note the link for each Association is different, so if you are playing in multiple Associations make sure you log into the correct one.

Step 1 – Select correct member

Ensure you have the correct person selected that you want to register the team. If you are a parent, register the team under your profile and then switch to your child's profile to register them into the team.

Step 2 – Select Team Delegate (if you are taken directly to the event list you can skip this step)

Step 3 – Click Register +

on the Event you want to register the team in.

Step 4 – Select 'Register A Team'

Step 5 – Click in the area showing the price (or REGISTER if shown)

Note this the team entry fee, if any, not the player fee

Step 6 – Click Create New Team (or select Register next to an existing team if reregistering for a new season) Note that if your team plays in multiple competitions, but has different players (even if only 1 different), then each team needs to be a separate team.

Step 7 – Complete all required fields The contact details should be those of the Team Delegate. Click **Next** when done
